Margaret,

Attached are edits from my review and discussions with Kate. Please call me and I can walk through our thought process here. This should be in the form of a memo to Jim from you through Kate. We found the format that BOEM used most helpful and we're asking all of the bureaus to use it. I am attaching a copy of BOEM's for formatting purposes. Please send the revised document to Kate and me by 1:00 tomorrow. Many thanks.

Rich

Rich, I am seeing edits on the BOEM document but not on the BSEE document. I stayed home this morning to work on the revisions. Did you perhaps attach the incorrect file for BSEE? Meanwhile I will get the document reformatted. Thanks.
