

Pop gets his first *Big Surprise* in 20 years!

"Come on, pop, at least let's give this
Anaconda White Lead a try."
"Well, okay, but I still bet it's no good."

"Say, this Anaconda stuff sure mixes
easy!"

"Son, you're right, this Anaconda
White Lead works wonderful, and it
looks like a million dollars, too."

"Honest, I got the surprise
of my life when I saw
how wonderful this
Anaconda White Lead
really is!"

All of us are inclined to cross our fingers about some-
thing we've never tried. But in Anaconda White Lead,
we honestly know we've got a product which will work
easier and better for you. Men who have tried it write
us enthusiastic letters telling us how swell it is. We
feel sure that you too will get better results by using
this improved, modern White Lead.
