Claim No. 98-632523
Sherwin Williams Co.

Dear Tina:

I have spoken with Darla Kaikis of the Larrimer law firm who is the attorney handling the above matter. I advised Darla that at this time we have no record that this claimant was employed with Sherwin Williams. She said that the hearing scheduled for April 17, 2000 in Lima will most likely be continued anyway. She said there are allegedly four employers and this is a leukemia case where they are alleging that claimant's exposure to varnish, etc. caused his leukemia. Darla said she will send me the information she has in her file and also talk to the widow claimant to determine whether or not he was ever even employed with Sherwin Williams. We will keep you further advised and if you get any further hearing notices or other information, please forward it to me as soon as possible.

I am enclosing an R-1 card for you to sign and return to me for filing with the Industrial Commission. This will allow us to receive future Bureau mailings on this case.

Very truly yours,

Robin R. Obetz
