

age (45 years) of all other United States/Canadian ByP cokemaking facilities. In fact, in the past ten years, many coke plants owned by SunCoke's competitors have closed their doors because of deteriorating facilities and environmental challenges.

58. SunCoke provides approximately 900 well-paying jobs in the United States. Forty percent of SunCoke's workforce belongs to the United Steelworkers' Union.

59. For the reasons described above, it is my opinion that if this Final Rule is not stayed and corrected, it will financially cripple the coke industry, likely cause shutdowns of some cokemaking facilities, and thereby severely impair the production of blast furnace steel in the United States.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury, under the laws of the United States, that the foregoing is true and correct to the best of my knowledge.
