ANSWER: Abex objects to this interrogatory on the grounds that it is burdensome and overly broad. Abex also objects to this interrogatory on the grounds that it seeks information about entities other than Abex. Subject to and without waiving these objections, Abex states to the best of current knowledge and belief it is not believed any such tests were conducted. See Answer to Interrogatory No. 7.

INTERROGATORY NO. 46.:

If Defendant performed or had performed any dust level counts, what action, based on the results, did your company take?

ANSWER: See Answer to Interrogatory No. 45.

INTERROGATORY NO. 47.:

Has your company or its subsidiaries or predecessor(s) ever conducted or caused to be conducted any studies designed to assist in minimizing or eliminating the inhalation of asbestos dust and fibers by those exposed to the use of your company's products? If so, give the following:

A. Name of the person or firm conducting such studies;

B. The date the studies began and the date they were completed;

C. Any publication or other written dissemination of the results of the studies;

D. The nature of any action to eliminate or minimize the inhalation of asbestos dust fibers;

ANSWER: Abex objects to this interrogatory on the grounds that it is overly broad and unduly burdensome. To the extent this interrogatory seeks information concerning the working conditions of Abex employees, it is objected to on the grounds that such information lacks relevance to this case and is not reasonably
