Subject: Minor Modifications to Industry Sector Attendees for Tuesday's NHSM Meeting with Samantha Dravis
Flag: Follow up

Hi Will – two modifications to the list of industry sector attendees for next Tuesday's meeting on the NHSM rule.

First, Justin Wormmeester from BNSF will be joining David Smat from BNSF to represent that company at the meeting.

And Alice Koethe will be replacing Mike Rush at meeting on behalf of the American Railroad Association. I've updated the Industry Sector Attendee list accordingly below.

Paul Noe and Tim Hunt with the American Forest & Paper Association (AF&PA), Doug Green, (AF&PA's outside counsel) from Venable LLP, Corey Brandt with WestRock, Jim Rabe with Masonite, and Mike Curtis with George Pacific. In addition, Jane Luxton with Clark Hill, outside counsel for the Treated Wood Council, and Heath Huschak with Koppers.

Also in attendance will be Bob Fronczak and Alice Koethe with the American Association of Railroads and Justin Wormmeester and David Smat with BNSF Railway. Charles Franklin and Louis Baer from the Portland Cement Association, Carrie Annard representing the Biomass Power Association, and Jim Gauntt representing the Rail Treaters Association.

Regards, Doug Green
