LEAD HYGIENE AND SAFETY
BULLETIN NO. 27

To Members of the Lead Industries Association:

Attached please find copy of a recent publica-
tion of the American Public Health Association entitled,
"Lead Poisoning-The Recognition of Hazardous Industrial
Lead Exposure." This is an authoritative summary of the
subject participated in by a committee of well known
specialists in lead. The report is commended to your
careful attention.

Very truly yours,

H. W. Warner
Secretary.
