Mr. George Borg
Riverside Cement Company
1500 Rubidoux Blvd.
Riverside, CA. 92509

Dear George:

As we discussed, I am attaching a list of asbestos users in California. In some cases the suggested contact will be able to help you directly with the employee information you require and in other cases they will hopefully direct you to the proper person. If you have trouble contacting someone in any of these companies you can check with W.P. (Bill) O'Reilly, our Los Angeles representative, (213) 834-6471.

If we can be of further assistance, please feel free to contact us.

Very truly yours,

Jim

Note to W.P. O'Reilly: George Borg is on a committee responding to new CAL OSHA Proposed regulations. He is to survey asbestos users in Calif. for data on numbers of employees exposed to asbestos and levels of exposure. If you can help him with names and telephone numbers, we would appreciate it.
