Wonscover MAKES INTERIOR PLAYS

Harmonized Colors
—YOUR KEY TO GLORIOUS ROOM-TO-ROOM HARMONY

Today's brand-new Wonscover offers you beautiful colors that are deliberately planned to go together in perfect harmony... as well as a paint made from special Koloride resin, an exclusive product of Dutch Boy research.

Colors pre-planned for harmony! Every hue is keyed to go perfectly with every other Wonscover hue. Combination harmonizes beautifully with each other, too. That makes color choosing easy, shows the use of a variety of colors without risk of clashing, and ensures a unified, harmonious effect within a room and from one room to another.

Colors harmonize in Wonscover shades and its rapid drying Wonscover is easy to use and dries with a rich finish.

d Colors
GLORIOUS
HARMONY

Today's brand-new Wonscover offers you beautiful colors that are deliberately planned to go together to perfect harmony... as well as a paint made from special Kalspa color, an exclusive product of Dutch Ray research.

LOOK AT THESE BEAUTIFUL NEW COLORS

Colors pre-planned for harmony! Every line is hoped to go too, does perfectly with every other Wonscover line. Combination harmonizes beautifully with each other, too. That makes color selecting easy, allows the use of a variety of colors without risk of clashing, and assures a coordinated, harmonious effect within a room and

from one room to another. These colors are also planned to harmonize with the most popular colors used in rugs, draperies and upholstery.

Soft, glass-free flat finish in which all colors look their best! The new Wonscover gives a smooth, rich-looking, uniform finish even on difficult surfaces.

Other benefits you'll like: a new colorless solvent used in Wonscover makes painting pleasant any time of year, and its rapid drying speeds the work back into use. Wonscover is economical, too. One coat covers most surfaces with a rich, smooth finish. It goes on like a dream—as easy to apply. For modern beauty and new life in your rooms—use Wonscover!
