To All Customers:

Effective May 1, 1974, the Asbestos Group of H. K. Porter Company, Inc.'s Thermoid Division will become a wholly owned subsidiary under the name of Southern Asbestos Company. To many of our valued customers, it will be a reunion with an old familiar friend, since we were originally Southern Asbestos Company many years ago. Nothing has really changed. The same people will serve you with the same reliable quality asbestos products.

Our internal corporate change will in no way affect you, our customer. Please continue to address all orders and inquiries to our Charlotte Customer Service Department. Mr. Alexander Smith and his sales force will still call on you and service your requirements, and we look forward to a continued, warm relationship.

Very truly yours,

SOUTHERN ASBESTOS COMPANY
