BFG represent at OHIO (1938) presentation variations
NRC report Industrial Dust (1934) A sis action
What since 1942

Cont. health eff. research part of 11/10/47 (1947)

a.c. mentioned in his 1940 paper fibrogenic

McC & Wild Div does author act on tox chems at BFG (1945)

McC responds to tale p. 1518 art. in JAMA 1952, cite
(* article itself ?) * Schultz + Williams 1942
(4/19/52 p. 1418) JAMA (which notes up to 8% ash.
(24:75-79, 1942 JHHT) Content of commercial talc)

TLCs not "hard and fast" boundaries of they are...
admits cost of make-up air a consideration
in ventilation systems. (1965)

BFG papers fail to include worker education
about the hazard itself among "hazard
control measures" (e.g. 1971)

References talc lit. incl. Dressen (1933) + Klinefelter
(1967 - on cancer). "Product" to avoid dusting
material with quartz and tremolite. (1971)
