Your letter of January 14, 1977, has been forwarded to me. I regret you could not communicate with us personally after the phone call we had on the telephone [illegible] your recently mailed.

To our knowledge, there is no known case of lung fibrosis caused exclusively by [illegible] fiber. Even after prolonged exposure, confined to very young.

There is no reason to [illegible] that "Since 1973 the E.P.A. has banned [illegible] asbestos fiber [illegible] & previous [illegible] fiber."

There is no substance other [illegible] Williams manufactured by Georgia-Pacific, nor to our knowledge, is anyone [illegible] Williams management.

If I can be of further assistance, please advise.

Very truly yours,
