June 7, 1933.

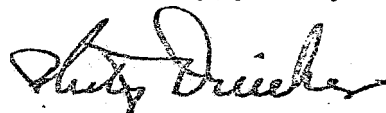

Dr. Robert A. Kehoe,
Dept. of Applied Physiology
University of Cincinnati,
Cincinnati, Ohio.

Dear Dr. Kehoe:

We have received the following prices on your papers: #3 (12 pages) will cost \$67.48; #4 (5 pages) will be \$34.20, and the last one (14 pages) will be \$96.87. That will mean about \$200 extra for having all five papers appear in the same issue. The cost of reprints will, of course, be extra. Will you let us know at your earliest convenience whether or not you care to make this arrangement?

As we have a great deal of material on hand, we could print only #3 and #4 in the November issue, and hold the other over for a later issue.

Sincerely yours,

Philip Drinker.

L.
