Sarah, thank you so much! I am out of town the first week of July - so could we please look to the second week? Ideally, the 13th or 14th? Thank you both again! - Ryan

I'd be happy to meet! Alex, cc'ed, is my policy analyst and can work to get something set up. I'll be traveling next week so let's look for something the first week of July if that's alright.

Sarah,

I hope you are well! I left you a voicemail yesterday and I wanted to follow up on a meeting request. I am not sure if we have ever met in person, but I used to be Sen. Inhofe's chief of staff and I wanted to reach out on behalf of my client the American Exploration & Production Council. AXPC (www.axpc.us) is a trade association representing the 33 largest independent E&P operators in the United States.

I wanted to request a meeting with you to discuss AXPC's water-related priorities. Do you think you may have some time in the coming weeks to meet with myself and representatives from our member companies?

Thank you in advance!

-Ryan
