Dear Marvin:

I would like to take a few minutes to thank you for your fine presentation at the Vinyl Chloride Safety Association meeting in Memphis. It was indeed a pleasure to have you and your sales manager, Lou White, with us for our luncheon meeting February 11. I feel that each member got much useful information out of your presentation and I have received a number of comments since the meeting regarding its usefulness.

Again, I would like to extend my thanks to you and Lou White for being with us and for your participation in our program.

Best regards,
