S.No.547

20th June, 1957.

The Manager,

AUSTRALIAN BLUE ASBESTOS LTD.

Dear Sir,

MR. G. MOORE. (Your S.No.452 and your S.A.115). We are sorry to learn that the health of Mr. Moore's family make it necessary for him to consider leaving our employment at Wittenoom.

We are giving very careful consideration to the possibility of placing him elsewhere in the service of the Company and shall advise you within a week or so whether we can find a vacancy for him.

We have also tried to find a member of the C.S.R. staff who might be transferred to Wittenoom should Mr. Moore resign from the Company's service. However, there is no one available with the necessary qualifications at the moment. We suggest, therefore, that it would be preferable for you to advertise and engage a suitable man in Perth.

Yours very truly,

Managing Director.
