RE: LOSS PREVENTION VISIT - APRIL 21, 1989

Dear Mr. DesJardins:

On the above date, I met with you and we discussed the following.

SAFETY/HEALTH SCHEDULE

You provided me with a copy of your safety and health training schedule for 1989. Below is a list of VHS videotapes that I have ordered to aid you in your training efforts. The tapes will be sent directly to you and should be returned by you.

<u>VIDEO TITLE</u>	<u>VIEWING DATES</u>
Confined Space Entry	June 12-16
Power and Hand Tool Safety	June 12-16
The Hazards of Substance Abuse	June 19-23
Minimizing Back Strain on the Job	July 24-28
Electrical Lockout/Tagout	August 14-18
Forklift Safety Programs-Parts I & II	September 11-15
Giving Safety A Lift	September 11-15
Forklift Safety: Operating Safely	September 18-22
Hand Safety	September 18-22
Respiratory Protection	December 4-8

Also enclosed are safety pamphlets which may be incorporated into your safety meetings.

We also discussed reduction of noise throughout the plant by means of implementing engineering controls. One specific area of concern to you was the Blow Deck. I have passed your questions and concerns onto Marsden Shaver, Industrial Hygienist, who may be of assistance to you in this endeavor.

Sincerely,

Janet Bonds Blackmon
