Dr. Miriam Sachs, Chief
Bureau of Adult and Industrial Health
State of New Jersey Department of Health
Trenton 7, New Jersey

Dear Dr. Sachs:

Thank you for your letter of October 25 giving the results of the investigations made by Jane E. Voscek and Mr. E. L. Schall at the Berlin, New Jersey plant of our Raylo Division.

We appreciate the work that went into the air sampling and chemical analyses—and we are glad the results are in line with the industrial health standards of the state.

Services such as those which are given by your Bureau are of help to industrial plants.

Sincerely yours,

WGH
