Subject: RE: Pollution Inventory Reporting -sense check

Hi [REDACTED]

Thank you for the heads up. I'm not sure what AGC's percentage contribution to sector total has been in previous years (although I'm aware it is high).

HCFC's (R22) to atmosphere in 2022: 2.576 tonnes reported.

Kind regards,
[REDACTED]

[REDACTED]
AGC Chemicals Europe, Ltd.
