**Received:** 2018-05-29T14:13:31-04:00

Gareth,

Thanks for taking the time to speak with me a short time ago. As I mentioned, I was working with Ms. Leila Getto in the Secretary's office in the hopes of scheduling a meeting next week with Secretary Zinke for executives from several forest products companies with manufacturing facilities in Western Oregon. Given the uncertainty with the Secretary's schedule I advised them that the meeting was unlikely to occur next week and not to make the trip back to Washington, D.C.

I will still be in DC next week with a couple staff members from the American Forest Resource Council (AFRC) and was hoping to schedule a meeting with Associate Deputy Secretary Jim Cason and Assistant Deputy Secretary Todd Willens to discuss the management of federal forests in the Pacific Northwest, particularly the BLM O&C lands in Western Oregon. We are available on Wednesday, June 6 and Thursday, June 7 and would appreciate an opportunity for a short meeting with Mr. Cason and Mr. Willens.

Please let me know if you have any questions or need additional information. Thank you for your assistance with this request!

Sincerely,

Heath Heikkila
