Subject: Earthworks Review
Attachments: TFI Review of Earthworks Comments 8-25-17.pdf

Byron,

Thank you again for meeting with my members and myself earlier this week on the CERCLA rulemaking.

As discussed, attached please find the TFI review of the comments prepared by Earthworks addressing phosphate mines. The comments rebut some of the incorrect claims made by Earthworks addressing a 2012 GAO report on phosphate mines.

Please reach out with any questions.

Regards,
Andy
