Q Do you have the attachment with you?

A I have a document with me which you have told me is an attachment to the Interrogatories.

Q Okay. It is on Page 11. It says, "After-market parts, new, and dealers in parenthesis, drum and disc brakes, year, 1968 to the present," you have listed, "Bendix Corporation, Kelsey-Hayes, Raybestos-Manhattan, Bendix Friction Materials Division, and Abex Corporation," what does that mean?

MR. STEELE: I object. I think these speak fo themselves. He has already testified that he doesn't recall, other than Bendix, who the after-market supplier were.

Q (BY MR. FLOYD) You may answer subject to his objection.

A I don't know what this means.

Q All right. Who prepared these Answers to Interrogatorie

A I don't know that.

Q In the Ford Company?

Assuming that these Answers given by Ford, und oath, are correct, as to the after-market suppliers, whe Ford purchased these after-market products, what did the do with them? Did they distribute them to new car dealerships throughout the country, or what did they do with these products?

A I don't know that Ford purchases after-market parts for
