Subject: NESHAP Reconsideration Matter

Dear Bill,

I hope that you are settling in well to your new job.

Rob Steinwurtzel and I represent the Association of Battery Recyclers (ABR), whose members recycle spent lead batteries in a safe and environmentally responsible manner. We are hoping to meet with you concerning the secondary lead smelting NESHAP reconsideration proceeding (40 CFR Part 63 Subpart X), which has been ongoing for many years.

Please let us know if it would be possible to set a meeting for the week of March 26. If that week does not work, please let me know your alternative availability.

Best regards,

Mark
