Hi Carol and Kathy!

Long time no talk since I've been at the Pompeo office. Administrator Pruitt would prefer if we could keep this to a 1-on-1. Thank you!

My apologies for the late notice but Administrator Scott Pruitt will be in New York tomorrow (April 12) and is hopeful he might be able to set up some time to meet with Mr. Gigot. If this is something we might be able to work out tomorrow afternoon I would be more than happy to help facilitate getting that set up.

Good morning Sydney!

We are holding a Summit planning meeting today and my chairman asked me for an update. I told I didn't expect an answer just yet, but I told him I would double-check anyway.

Thanks.

I certainly understand Sydney. No worries. Is there a date where we can finally say go or no go? As far as I am concerned it can be near the first of August. We will need time to print the program (and find a substitute if need be.)

For now, I am going to promote it as just invited.

Thanks.

Hey Mike,

Thank you for checking in! I just don't think we will know for a while. We haven't even made it through August travel yet. I know it is something he would like the opportunity to do, I just can't say for certain yet how September will play out. We haven't confirmed anything yet as we are still looking at international travel. I'm truly am sorry for the delay.

Hello Sydney,

Checking in again about the possibility of Administrator Pruitt coming to Oklahoma to speak to our builders. I am looking forward to hearing him next week in DC while I am attending the NAHB meetings.

I know our builders in OK would love to hear him as well.

Mike

Good afternoon Sydney,

Was curious as to the status of Administrator Pruitt making it back out to OK again this September? Thanks.

Hi Mike,

Thank you so much for reaching out! Would you be so kind as to fill out the attached speaker request form for me and return at your convenience? Admittedly, we may not discuss September travel for a few weeks so if you need a little time to complete, that is completely fine. Love seeing Oklahoma requests in my inbox!

Thank you!

Dear Ms. Hupp,

I know an invitation or two is floating around the offices there at EPA, but I was recently given your email as you are the scheduler for Administrator Pruitt. We want to formally invite Mr. Pruitt to be our opening keynote to our annual OK Building Summit & Expo on September 27, 2017, 10:00 am, at the Cox Convention Center. As builders and developers we heavily endorsed and applauded his appointment as Administrator of the EPA.

Our annual Summit has grown each year and last year we had over 650 in attendance. We would love to welcome Mr. Pruitt back to Oklahoma in his new role.

Thank you for consideration and please let me know if I can provide any additional details.

Mike
