Ms. Joanne Betso
Dow Chemical Company
Mammalian & Environmental Toxicology
Research Laboratory
1803 Building
Midland, Michigan 48640

Dear Ms. Betso:

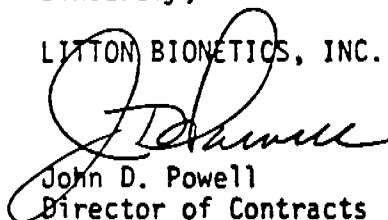

As you requested in response to our recent letter, enclosed are materials from your studies which we have previously retained in our archives.

If you need anything further regarding these materials, please let us know.

Please acknowledge receipt of these items on the enclosed duplicate copy of this letter.

Sincerely,

LITTON BIONETICS, INC.

John D. Powell
Director of Contracts

JDP:ekp
