Dear Jimmie:

It was a pleasure meeting with you last week.

We discussed TiO₂ moves from your terminal at Weehauken, New Jersey to three destinations and are pleased to quote the following rates:

TO: Philadelphia, PA	72.5¢	(45M)
Caimbridge, MA	144.5¢	(45M)
Long Island City, NY	\$250	(mininum charge)

When cleaning is required after the trailer has been in TiO₂ Service, a cleaning and waste disposal charge of \$107.00 will be² applied.

We look forward to having the opportunity to be of service from Weehauken. Meanwhile, should you have any questions or need additional information, please give me a call at your convenience.

Very truly yours,
