Great. I'll call you on this. I want to get your thoughts on working on getting something else on your agenda.

We have an all day open meeting / dialogue on 17 July on cooperative federalism in DC and on July 18th from 8 to 12 we planned a morning meeting with the ECOS Board of Directors which is about 23 commissioners and the EPA leadership - this is typically a very productive half-day of strategic work together –we also could invite All ECOS members to stay for the 18th morning.

Would like to ensure that top officials have some involvement in the coop federalism meeting as well as the day after. Shall I work w Tate?

Ken Wagner has a draft of our cooperative federalism paper which we plan to share with the administrator before the end of the week. Let me know if you'd like to see it as well.

Alex, I wanted to check with you when the next state directors meeting was for ECOS here in DC?

I'm looking forward to it as well. Is July 3 still good? We received the routine but important final word from Presidential Personnel about your approval a couple of days ago so there's literally no more process involved here. We are ready to have you start. I appreciate the offer on working in advance. What I may do is have a call with you with Byron Brown to bring you up to speed on what we've been doing reorganization-wise so you know what generally we have to submit to OMB by the end of June. However, that's a very preliminary report on how we gather information. I'm eager to bring you up to speed on timelines for reorganization requirements. We do have some end of summer deadlines which will require some meetings with the Administrator and your expertise on how to best conduct this.

Looking forward to it.

Ryan.

Hey Ryan. Just checking in. Wanted to let you know that I'm still really excited about joining the team. Is there anything you'd like for me to be working on in advance? Nothing confidential of course, but wanted to let you know that I'm willing.

I hope all is well.

I know you are as anxious as I am to get to work, but I have a lot to wrap up here both professionally and personally. How about July 3?

Thanks

Henry
