American Cancer Society

National Conference on the Care of the Child With Cancer

September 11-13, 1978,
The Sheraton-Boston Hotel, Boston, Massachusetts

This conference is designed to present a comprehensive approach to solving the various problems encountered by the patient and the family. The program will include psycho-social, educational, and economic aspects of childhood cancer as well as treatment and rehabilitation. There will be an opportunity for discussion when questions from the audience will be invited.

Attendance is open to all members and students of the medical, nursing, and related health professions.

There is no registration fee.
Advance registration is requested.

Accredited for continuing education.
