Trigg, Ernest T.

June 16, 1923.

Mr. Ernest T. Trigg,
John Lucas & Co., Inc.,
522 Race Street,
Philadelphia, Pa.

Dear Mr. Trigg:

Mr. Hoover asked me to write you in reply to your letter of June 11th that it is impossible for him to give you any exact date for the meeting in Philadelphia which you were planning for him.

He, however, expects to be back in Washington about the middle of August and I would suggest that you should not plan the meeting before some time in the first half of September as of course he will be extremely busy for two weeks or so after his return.

Yours very truly,

W. C. Mullendore,
Assistant to Mr. Hoover.

WCM-E.
