Herewith your memo of October 3 together with the BONDEX Mobile Home label -- we suggest the following corrections under the direction panel.

The last sentence of the second paragraph should read -- uncover the asphalt, and give unsatisfactory results.

Change the coverage to 50 sq. ft. per gal. in the fourth paragraph.

You have the new analysis or ingredients statement passed on to you about a week ago -- please make the corrections.

Also, to the left of the direction panel, you should put in the asbestos paragraph which starts off -- contains asbestos -- etc.
