Subject: FW: FPP4EU Collaboration Platform Workshop 15 June : draft note and presentations
Attachments: 20220615_Note on the FPP4EU Collaboration Platform.docx; OneDrive_2022-06-27.zip

FYI the presentations of the PFAS Industry event.

To me the presentation of ██████████ was especially interesting as he gave some insights into the general PFAS restriction. His main message was that the Annex XV dossier will most likely not be covering all uses, so it's up to industry to identify data gaps and propose further derogations.

Cheers,

██████████

Onderwerp: FPP4EU Collaboration Platform Workshop 15 June : draft note and presentations

Dear participant of the FPP4EU Collaboration Platform Workshop,

Please find attached the draft note on the FPP4EU Collaboration Platform Workshop that took place on 15 June 2022. Should you have any comment on the draft note, please do not hesitate to let us know.

Find also attached the presentations/annexes mentioned in the note:

Annex 1: Regulating PFAS in the EU (██████████)

Annex 2: Introduction to FPP4EU and Collaboration Platform (██████████)

Annex 3: PFAS restriction in Europe (██████████)

Annex 4: The FPP4EU proposed decision tree (██████████)

Annex 5: Link between the firefighting foam restriction and the wide PFAS restriction (██████████)

Annex 6: EFCTC work on the proposed REACH restriction (██████████)

Annex 7: Harnessing energy from chemicals production: introducing HFOs as a Green Deal enabler (██████████)

Annex 8: PFAS in electronics (██████████)

Annex 9: Electronics related case study: PFAS in the semiconductor industry (██████████)

Annex 10: Extensive value of fluoropolymers to European innovation and growth in key sectors (██████████)

Have a great rest of the day,

Best regards,

██████████
