Subject: Meeting Request: Bill Ford, Executive Chair, Ford Motor Company – Partnering to Expand U.S. Investments and Job Creation through a Business-Friendly Environment

Dear Director Vought:

I am writing to formally request an in-person meeting on behalf of Mr. Bill Ford, Executive Chair of Ford Motor Company, on March 26th. We believe a discussion on how the OMB can help foster a more business-friendly environment that encourages expanded U.S. investments and job creation is warranted. We propose a meeting date of March 26th, if your schedule allows.

We would appreciate the opportunity to discuss the concrete steps Ford is taking to bring manufacturing back to the U.S., aligning with your efforts to reduce regulatory burdens,

streamline government bureaucracy, and promote policies that encourage private sector investment. We believe the OMB plays a critical role in creating a predictable and competitive business environment that allows companies like Ford to thrive and expand their U.S. operations.

We believe this discussion would provide valuable insights into Ford's ongoing commitment to American manufacturing and offer our perspective on how, working together, we can further strengthen this critical sector. While March 26th is our preferred date, we understand the demands on your schedule and are happy to work with your office to find a mutually convenient time. Please let us know if a meeting can be arranged.

Thank you for your time and consideration. We look forward to hearing from you soon.

Sincerely,
Jessica Carter
