Good morning, Gareth. Any word on a possible meeting next week while Alan M is in town. I'm having dinner with him Tuesday night and lining up some other meetings for him.

Good morning, David,

As I mentioned, I have been retained by Castle Mountain Ventures to begin a discussion concerning their California mine that was included in a monument designation during the Obama Administration. They would like an opportunity to meet with you sometime in April to discuss the issue. Who can I work with to discuss scheduling a meeting with you?

Thanks for the consideration.
