Hi Denny,
Sorry for the delay. I needed to run this through Ethics who noted that Westlands Water District is a client. We just want to be clear that David will not be able to discuss any matters regarding Westlands. But as this meeting will be regarding other issues, I will be happy to help schedule. What timeframe would you like to look at?

Thanks

Gareth

Gareth,

Any movement on my scheduling request. April is rapidly disappearing. The week of May 7th would work as well.

Thanks!

Good morning, David,

As I mentioned, I have been retained by Castle Mountain Ventures to begin a discussion concerning their California mine that was included in a monument designation during the

Obama Administration. They would like an opportunity to meet with you sometime in April to discuss the issue. Who can I work with to discuss scheduling a meeting with you?

Thanks for the consideration.
