Subject: Invitation to Speak at ACC's Environmental Management Committee Spring Meeting

Samantha,

I'd like to invite you to be the guest speaker at ACC's Environmental Management Committee's Spring Meeting on May 23, 2017.

This committee, which I manage, is comprised of 35 Board-approved representatives from our member companies and provides policy direction to ACC's air, waste, and water workgroups. The EMC's top priority for this next cycle is regulatory reform, and they would benefit greatly from hearing from you.

In the past, our guests have come for about 45 minutes around lunch time. Some have stayed for only a half hour, some have stayed for an hour, depending on their availability. The format is flexible and generally informal, involving a short presentation and a Q&A portion at the end.

If you have any questions, please feel free to contact me at the number below. I'm also available by email.

Best,

Anna
