Re: *Howland v. Owens Corning*

Dear Troy:

In accordance with your request, I forward documents from Guimond & Associates regarding their work at the Tyler Pipe foundry near Tyler, Texas. The following categories of documents sent to me by Guimond & Associates were withheld and not produced to you:

- A notebook containing information about emissions inventory, factors, and data
- Documents relating to Form "R", Section 313 of the Emergency Planning and Community Right-to-Know Act
- June 28, 1992 letter from Robert Wilson of law firm McGinnis, Lockridge & Kilgore to James Milstead and attachment
- January 3, 1992 letter from Joseph A. Guimond to Robert Wilson of McGinnis, Lochridge & Kilgore
- October 7, 1991 analysis of soil samples

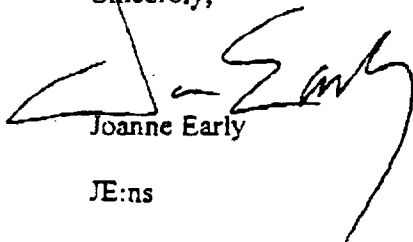

August 27, 1999
Page 2

- September 23, 1992 letter from Texas Water Commission to Lindsey Smith regarding Industry Honor Roll Partner in Clean Texas 2000
- July 2, 1993 letter from Guimond & Associates to Hardee Tapp regarding East Penn Plant, 1992 Pennsylvania Emissions Data Report

Additionally, we only produced air testing for dust and silica. We received no documents relating to testing for asbestos. We did not produce to you testing for other materials. If a document related solely to other materials, it was not produced. If a document related to silica testing and other matters, a redacted version of the document was produced.

Please call if you have questions or would like to further discuss these documents.

Sincerely,

Joanne Early
