Ms. Keenan:

The National Hydropower Association and the Utility Water Act Group submit the attached comments on the EPA Region 10 Proposed Issuance of NPDES General Permit for Hydroelectric Facilities Within the State of Idaho. We appreciate the opportunity to provide comment on the proposal, which we believe raises significant issues for hydropower project operators in the region and beyond.

If you have any questions about these comments or wish to discuss the issues further, please do not hesitate to contact me.

Thank you,  
Kerry
