Dear Sirs:

We are submitting herewith four (4) copies of the Sherwin-Williams Co. paint No. 6374 which we will use after our windows and casings are bonderized. The bonderizing and painting will be done in our own factory and not by others. The Sherwin-Williams formula is as follows:

PIGMENT 45%
VEHICLE 55%

Comp. of Pigment: 100% Lithopone tinted
slightly with bone black

Comp. of Vehicle: Mineral Spirits - 48%
Oil and Resin - 52%

Reduced to the proper consistency with
V.M. & P. Naphtha.

Very truly yours,

J. S. THORN COMPANY
