

Kelly -- on the road today but wanted you to know I haven't forgotten about you.

You're in town this week, correct?

Hi Millan -

Thank you for taking the time to meet with me today. I enjoyed talking with you and learning about the positions you have available at EPA. I look forward to continuing our conversation in the coming week.

In the meantime, please let me know if you need any additional information from me.

Best,

Kelly Kunding
