Terms and Conditions

- The program entitles the purchaser of Mac OS X retail software or a computer with Mac OS X included to participate. The Mac OS X v10.1 upgrade requires Mac OS X to already be installed on your Macintosh computer. For information on how to determine whether your product qualifies visit www.apple.com/macosx/uptodate for a list of qualifying products.
- Mac OS updates, which may currently be downloaded from www.apple.com, are not included in this program. Future Mac OS releases may be provided through this program; however, Apple reserves the right to change or discontinue this program at any time without notice.
- Completed order form and payment must be postmarked by December 31, 2001 to the address listed on the order form.
- This offer is good only in the United States (50 states and the District of Columbia) and Canada, and valid only in accordance with the terms set forth on this certificate.
- Void where prohibited by law or where otherwise restricted.
- Upon receipt of your order, products from inventory in stock will be shipped within 24 hours via first-class mail (U.S. postal delivery typically takes 3 to 7 working days). Canadian orders may require additional delivery time due to customs processing.
- Lost, late, mutilated, or misdirected mail or fax errors are not the responsibility of Apple or Corporate Services and will not be considered.
- Apple is not responsible for printing errors.
- No refunds or returns will be allowed.
- This offer is not valid in conjunction with any other Mac OS offer from Apple.
- The Mac OS software and the Right to Copy must be used solely with the qualifying product.
- This offer is applicable only to purchases by end users and not by resellers.

Keep a copy of the Terms and Conditions as well as your completed order form for your records.

Mac OS Up-To-Date

Upgrade to Mac OS X v10.1.
Experience the Future of Macintosh.

Your Macintosh is a state-of-the-art computer, engineered for power, speed, and ease of use. Upgrade to Mac OS X v10.1, the first major upgrade to Mac OS X, and your Mac will be even more powerful, more intuitive, and more enjoyable. From its stunning new user interface, called Aqua, to its rock-solid stability and UNIX-based core, Mac OS X takes the Macintosh experience to an entirely new level.

Apple would like to give you the opportunity to upgrade to Mac OS X v10.1. Customers who purchased a Mac OS X retail software package or a Macintosh computer that came with Mac OS X can upgrade to Mac OS X v10.1 for US$19.95.* Remember this Mac OS X v10.1 upgrade requires Mac OS X to already be installed on your Macintosh computer. Just complete and send in this order form with your payment. (See Terms and Conditions for promotion details). Your order must be postmarked by December 31, 2001, so send for your upgrade now!
