Re: Monsanto v. Dow Chemical Co., et al

Gentlemen:

Enclosed please find John Warren's medical records from Monsanto. As far as we can tell, these represent all of the medical records which Monsanto has kept on Mr. Warren.

With these additional records, we have now furnished you with all the medical records that we have in our possession or are aware of. Any other records, if they exist, will have to be obtained directly from the medical provider.

Very truly yours,

Keith A. Minoff
