March 22, 1982

File 12002

Mr. Edgar Berner
Health Examinetics, Inc.
709 Westchester Avenue
White Plains, N.Y. 10604

Dear Mr. Berner:

As a duly-licensed physician in the State of Louisiana, certificate #2919, I approve the Health Examinetics Mobile Unit to conduct health screening procedures, including tonometry, chest x-ray, venopuncture and other appropriate tests on the employees of Conoco's Chemical Plant (LCVCM) at Westlake, Louisiana from April 7-9, 1982.

It is understood that:

- (1) Health Examinetics van's equipment and staff meet all state and federal requirements. (Including the notification of Mr. Steve Hook, Louisiana Nuclear Energy Division, P.O. Box 14690, Baton Rouge, La., 70898, as to the type of radiation equipment utilized, etc.)
- (2) This authorization letter and a list of employees will be available for review on the testing van during the examinations.

Sincerely,

J. R. Drumwright, M.D.
Medical Director
