Scott & Kerry

Thank y'all very much for taking time to visit with the City of Phoenix water folks last week. They seized on the infrastructure opportunity you mentioned, and have prepared the attached document for your review and consideration as the Administration assembles the much talked about infrastructure package. I am sure they would welcome the chance to answer any questions you may have, and give additional input if necessary.

Thanks again for your time and consideration, as always.

Thanks,

Scott
