

1 given that respirator by the medical department of
2 Owens-Corning Fiberglas, were you not?

3 A That is where I was taken to get the
4 respirator, yes.

5 Q In fact, in Berlin, when you got there in
6 1965, they had a rather extensive respirator program
7 for people cutting Kaylo, as you told us already, that
8 they wore respirators; isn't that true?

9 A Yes.

10 Q In addition, they also had extensive vacuum
11 and ventilation systems at Berlin, didn't they?

12 A They did.

13 Q You visited jobsites where Kaylo was being
14 applied by insulators in the '60s?

15 A Out in the field.

16 Q You never saw anybody wearing a respirator
17 did you?

18 A Out in the field, most of those jobs were
19 outside, but no, I didn't see any.

20 Q You were inside jobsites, weren't you, sir?

21 A Some.
