TO Julius Nemeth

DATE Feb. 25, 1977

SUBJECT _____

Please use a separate sheet for each subject treated

Dear Julius:

Re your letter concerning a projected date of April 1, 1977 to go completely asbestos-free. If you're going to go asbestos-free why don't you go all the way including roof coatings? You could substitute asbestos with ground rubber and, if memory serves me correctly, Chuck Noll says it's better.

I feel from a manufacturing standpoint April 1 would be a realistic date. However, we will have certain slow moving products still in our stock for probably 6 months past the April 1 deadline; things that come to mind quickly would be SX Joint Combination 4 lb. package, powdered Dramex 5 lb. package, 1 lb. and 4 lb. Water Putty.

Best regards,

DW/bp
