RE: National Occupational Hazard Survey

Dear Ms. Byer:

In accordance with your request of November 24, 1975, we are attaching the completed form for product Stic-tite No. 9021.

With reference to products Sunset Control No. 119 and Silispray, we find that these are unknown to us. In calling your office today they informed me to return the forms.

In October you requested information on our product Moldit D. This was forwarded to you on October 23, 1975. Attached please find copy of correspondence.

Very truly yours,

G. W. Woods
