Dear Roy

We are preparing the new ASL Register and have tried to get information from Roy N Johnson of GenCorp, Fairlawn, Ohio, about case US.36, without success.

I shall be very grateful if you can help, or pass this on to someone who can.

We wish to know the initials of this man, whether he is still alive, and if not, the date of death. I enclose a copy of the 1989 register entry.

If we have this information within the next week (by Fax preferably) we shall be able to incorporate it in the 1990 Register.

Many thanks and best wishes for 1990

Yours sincerely

Dr Brian Bennett
