ASBESTOS PRODUCTS REVIEW

OCT. 9, 1978

This letter to cover one customer and one subject only.

Per our recent meeting on the problems which may arise by utilizing asbestos products in our shops, a list of stock material was required for review by the Barberton Environmental Committee.

Material we stock that we know has asbestos in it is as follows:

CPRS cannot be replaced

We do not know if the following items contain asbestos or not:

1. Sealers like Permatex, Devcon Paste.
