Subject: [EXTERNAL] Follow up to this morning's call with KMI

Hello Jarrod and Andy, Kim asked me to provide the follow up materials from her and Tom's call with Secretaries Burgum and Wright, and to express how much we appreciate you all giving us so much of your valuable time. (b) (4)

Overall Message:

- The U.S. is facing an energy reliability crisis due to insufficient interstate natural gas pipeline capacity.
- President Trump has declared a national energy emergency and issued Executive Orders 14154 (Unleashing American Energy), 14213 (National Energy Dominance Council), and 14215 (Accountability for All Agencies)—directing agencies to take all necessary steps to accelerate the construction of critical energy infrastructure while preserving existing avenues for landowners and stakeholders to seek redress.
