**Subject:** Urgent request on deadline from FRONTLINE

Hello, I am writing at the suggestion of EPA public affairs spokesperson Enesta Jones, who suggested I put my request in writing.

I am working on a story for Dispatches, FRONTLINE's new audio podcast service. My story focuses on seismic activity in recent years in and around Cushing, Oklahoma.

Part of my story examines the influence of Oklahoma's energy industry on state politics in recent years, and in particular on Secretary Pruitt's actions on behalf of Devon Energy while he was Oklahoma's Attorney General.

I am writing in hopes of getting a response from Secretary Pruitt's office. I am on a very tight deadline and would appreciate an opportunity for an interview, or at least a response, by tomorrow, Tuesday, evening.

Most sincerely,

Andrew (Sandy) Tolan  
Producer, FRONTLINE "Dispatches" podcast
